

## Serve Robotics Announces \$80 Million Registered Direct Offering of Common Stock

January 7, 2025

SAN FRANCISCO, Jan. 07, 2025 (GLOBE NEWSWIRE) -- Serve Robotics Inc. ("Serve" or the "Company") (Nasdaq: SERV), a leading autonomous sidewalk delivery company, announced today that the Company has entered into securities purchase agreements with certain institutional investors for the purchase and sale of 4,210,525 shares of common stock, pursuant to a registered direct offering, expected to result in gross proceeds of approximately \$80.0 million, before deducting placement agent fees and other offering expenses. The offering is expected to close on or about January 7, 2025, subject to the satisfaction of customary closing conditions.

The Company intends to use net proceeds from the offering for general corporate purposes, including working capital.

Northland Capital Markets is acting as the exclusive placement agent for the transaction.

The offering is being made pursuant to an effective shelf registration statement on Form S-3 (File No. 333-282389), which was declared effective by the Securities and Exchange Commission (the "SEC") on October 3, 2024. A final prospectus supplement and the accompanying prospectus relating to the registered direct offering will be filed with the SEC and will be available on the SEC's website located at <http://www.sec.gov>. Additionally, when available, electronic copies of the final prospectus supplement and the accompanying prospectus may be obtained, when available, from Northland Securities, Inc., 150 South Fifth Street, Suite 3300, Minneapolis, MN.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any of the securities described herein, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

### About Serve Robotics

Serve Robotics develops advanced, AI-powered, low-emissions sidewalk delivery robots that endeavor to make delivery sustainable and economical. Spun off from Uber in 2021 as an independent company, Serve has completed tens of thousands of deliveries for enterprise partners such as Uber Eats and 7-Eleven. Serve has scalable multi-year contracts, including a signed agreement to deploy up to 2,000 delivery robots on the Uber Eats platform across multiple U.S. markets.
